

**Department of Housing
and Residence Life**

To Whom it May Concern:

It is with great pleasure that I submit this letter of recommendation for Jason Ellmyer. Jason is a talented, dedicated, and committed professional in the Department of Housing and Residence Life. When I begin to think about describing Jason, words that immediately come to mind are committed, talented, passionate, hard-working, and administratively sound. He does an outstanding job with respect to his position. Jason is without a doubt the ultimate team player. I can honestly say that the word "no" does not exist in his vocabulary.

Employees in our department know they can always count on him to answer questions and to lend a helping hand. His staffs know that he is always there for them. His skills, both administratively and interpersonally, are excellent. He presents himself in a very caring and professional manner. Jason is extremely dependable. He always follows through on whatever is asked of him. He has never failed to meet a deadline for any assignment or job responsibility that has been given to him. He is very proactive in identifying situations ahead of time that may become bigger things later.

Jason takes great pride in performing every role of his job. I have witnessed Jason's passion and dedication to Housing and Residence Life for many years and have been able to see him bring his area that he supervises to superior levels.

I hope that you strongly consider Jason for the SEAHO Service Award. Jason raises the bar in every task he performs and will continue to set the standard in his new position. Jason has my highest recommendation. Please feel free to contact me if you have any questions or need further clarification.

Sincerely,
