

Dear SEAHO Nomination Board:

It is with great pleasure that I nominate Laquala Coleman for the SEAHO New Professional Award. Laquala's unwavering commitment to student development within Housing has made her a driving force within the Student Affairs program here at the University of West Georgia.

Laquala takes pride in motivating and igniting our residents to soar high in their college experience. She pushes for dynamic programming within our Living Communities, volunteers her time to multiple departments across campus for synergy events, and makes personal connections with our students whenever possible.

Additionally, Laquala firmly believes in creating opportunities to cultivate the potential of our students. As a result, I have witnessed breakthroughs in students that needed additional assistance as under Laquala's guidance and mentorship, thus reinforcing UWG's mission to provide excellence in a personal environment through supportive staff.

Thanks for your time and consideration of Laquala Coleman, Area Coordinator of Freshman Buildings/UWG, for the SEAHO New Professional Award.

Best Regards,
